

Broadband Consciousness Recharge Day

Subsidised & delivered by The Ministry of Inspiration

What's the Recharge day all about...ENERGY

- ★ Fact The energy of most people is just 2/10
- ★ Fact No money you're broke - no energy you're dead
- ★ Fact No one wants to be around low energy people
- ★ Fact Low energy people don't succeed-they struggle
- ★ Fact Darkness cannot survive where there's light

Have you tried to make the pieces fit but still feel something's missing?

5 awesome reasons to come to this day

- ★ Because you want more energy
- ★ Because you want more clarity
- ★ Because you want more passion
- ★ Because you're not using your true potential
- ★ Because you know there's a better way

So... what is Broadband Consciousness?

It's a totally unique course created by Richard & Liz, it's 100% guaranteed to take your life onto an exciting new level, but don't just take our word for it, check out the extremely cool & original videos on our website
www.theministryofinspiration.com

5 priceless gems you will get on the day

- ★ You'll get - from procrastination to activation
- ★ You'll get - more energy than is sensible
- ★ You'll get - the missing piece of the puzzle
- ★ You'll get - the HOW
- ★ You'll get - who the real you is

"Our greatest frustration isn't that we don't know what to do it's knowing what to do and still not doing it"

Richard Wilkins

5 life changers you will do after this day

- ★ You'll measure your life differently
- ★ You'll help others who are stuck where you were
- ★ You'll take more action and think less
- ★ You'll stop the civil war in your head
- ★ You'll take life less seriously & have more fun

What this day isn't

It isn't NLP
It isn't personal development
It isn't hypnosis
It isn't positive thinking
It isn't about will power
It isn't goal setting
It isn't about the past
It isn't a copy of something else
