

# Recharge Day

Subsidised & delivered by the Ministry of Inspiration

## What's the recharge day all about...ENERGY

- Fact: The energy of most people is just 2/10
- Fact: No money you're broke – no energy you're dead
- Fact: No one wants to be around low energy people
- Fact: Low energy people don't succeed – they struggle
- Fact: Darkness cannot survive where there is light

Have you tried to make the pieces fit but still feel something's missing

## 5 awesome reasons to come to this day

- Because you want more energy
- Because you want more clarity
- Because you want more passion
- Because you're not using your true potential
- Because you know there's a better way

## 5 priceless gems you will get on the day

- You'll get – from procrastination to activation
- You'll get – more energy than sensible
- You'll get – the missing piece of the puzzle
- You'll get – the HOW
- You'll get – who the real you is

## 5 life changers you will do after this day

- You'll measure your life differently
- You'll help others who are stuck where you were
- You'll take more action and think less
- You'll stop the civil war in your head
- You'll take life less seriously and have more fun

## So.. what is Broadband Consciousness?

It's a totally unique course created by Richard & Liz, it's 100% guaranteed to take your life onto an exciting new level, but don't just take our word for it, check out the extremely cool videos on our website:

“Our greatest frustration isn't that we don't know what to do, it's knowing what to do and still not doing it “

Richard Wilkins

## What this day isn't

- It isn't NLP
- It isn't personal development
- It isn't hypnosis
- It isn't positive thinking
- It isn't about will power
- It isn't goal setting
- It isn't about the past
- It isn't a copy of something else
